# Grapeland ISD Secondary Campus Improvement Plan 2018-2019

#### MISSION STATEMENT

To educate all students to their fullest potential through the six A's of success: Attendance, Attitudes, Academics, Attention, Appearance, and Aspiration

#### VISION STATEMENT

The vision of Grapeland Independent School District, in full partnership with the parents/guardians of our students, is to encourage and challenge all students to achieve their greatest potential through a well-balanced and appropriate curriculum taught by highly qualified and highly effective personnel in an exemplary school district, focused on preparing our students for a successful life.

Kimberly Osborne, Administrative Assistant (Junior High)

#### I. District Characteristics

The Grapeland ISD Secondary Campus maintains a student population of approximately 267 students. Our students benefit from diverse student demographics and the opportunity to obtain an outstanding education. GISD Secondary Campus consists of grades 6-12. Our community and surrounding area maintain a vital interest in our schools and we continually develop new partnerships that benefit our students and connect then with our community. School Board members take an active role in setting high expectations for the district and campus and provide support to reach the goals. Campus Administration believes in developing strong instructional leadership skills of lead teachers and passionate individuals, ensuring effective instructional models are utilized with the students. Student success is the focus of the district and all GISD employees and GISD Secondary Campus.

rick in the Court of Chiphic Research is for the Court for the existing Report Office grows them

#### II. Community Characteristics

Grapeland is a rural and peaceful community-minded town located in Houston County with a population of 1,400. The area offers opportunities for residents and visitors to enjoy parks, lakes, unique shops, festivals, sports activities and year-round events. The Grapeland community has a rich heritage of academic, agricultural and athletic tradition which continues due to the "Sandie Pride Never Dies" mentality of our GISD alumni. Major area employers span the fields of industry, education, and agriculture. Area students have access to two outstanding avenues of higher education, a community college campus in Crockett, Angelina College, and four year universities, Stephen F. Austin State University and Sam Houston State University, are a short commute from our town. A bright future exists for the students and residents of Grapeland, Texas.

#### III. Student Demographics (2017-2018 TAPR)

Grapeland ISD Secondary Campus student population consists of:

grand the grant of the state of

5.7% Hispanic

65.7% White

28.6% African American

0% American Indian

0% Pacific Islander

0% Asian

0% Two or more races

#### IV. Beliefs and Mission

It shall be the mission of the Grapeland Independent School District to educate all of its students to their fullest potential. We believe that all students can learn.

We believe that community involvement maximizes student learning.

We believe that the students of Grapeland ISD are our greatest assets.

We believe in clearly defined goals and high expectations for all students.

#### Needs Assessment (2017-2018 TAPR)

D1. The Economically Disadvantaged student population is increasing. We need to pursue opportunities to inform, inspire, and motivate students to reach their potential. We need to provide staff development in teaching children of poverty.

2. "一个,你有一样的一点的一个多点的大块的

D2. Create intervention groups and target instruction based on data and assessments to address the needs of At-Risk/Low-performing students. Unified RTI to meet targeted needs based on data and assessments. Review/Reteach effectively and efficiently. Provide quality staff development. Must decrease the percent of students performing below grade level.

#### Student Achievement

- SA1. Utilize data to drive instruction, interpret data, and assess program effectiveness. Continue DMAC training to teachers.
- SA2. Continued improvement needed in Math, Writing and Social Studies.
- SA3. Close gaps in performance of 2 lowest sub-groups: African American and Economically Disadvantaged.

人名西蒙古 医精乳 人名英西德塞斯奇西德 医肾

- SA4. Continued Implementation of Motivational Math and STAAR Ready.
- SA5. Raise campus curriculum standards and attendance standards.
- SA6. Hands on approach from central office to build student relationships to inspire and motivate.
- SA7. Influence the expectations of SPED students toward progress in reading, math & science in 6-12 grades.

#### **School Culture and Climate**

- SC1. Focus on the six A's of success to initiate a culture change
- SC2. Evaluate organizational effectiveness, through communication, collaborations, connections, and caring
- SC3. Ensure safety and security of all students
- SC4. Utilize various resources the community has to offer.
- SC5. Establish communication and collaboration through regular meetings with staff

#### Staff Quality and Professional Development

- PD1. Utilize DMAC and Lead4Ward training for creating reports/analyze data.
- PD2. Provide and maintain a quality mentorship program.
- PD3. Provide professional development including effective instructional strategies on core curriculum alignment for working with Special Populations.
- PD4. Include planning time as a component to staff development with subject/grade level teachers to create an implementation plan.
- PD5. Recruit and hire highly qualified staff.

#### Curriculum, Assessment, and Instruction

- CI1. Continue to monitor the curriculum for effectiveness and rigor and facilitate vertical alignment
- CI2. Provide uniform response to intervention with strategic scheduling and after school tutorials.
- CI3. Utilize TEKS Resource System for core curriculum alignment.
- CI4. Establish and implementation of a STAAR Action Plan that is feasible and operational.

#### Family and Community Involvement

FII. Work to develop additional ways for the campus parents to be involved in the educational process with their children and support their academic needs. And to strengthen the connections between the school and the home to improve student learning.

on Allaita. Physii Nobell San Clare thi raine nogle geografic aritica.

To with the second and the program of Remains to the process and in the second and the

- FI2. Continue to create a positive perception of our campus.
- FI3. Increase communication with all stakeholders. Utilize School Messenger calling system, social media resources, neighborhood centers and churches for distributing information.
- FI4. Publicize parent access features for the campus on our district website and student data management systems with data available for: grades, attendance, school calendars and activities.
- FI5. Increase student community involvement and service.

#### **School Context and Organization**

- SO1. Provide data-driven instruction and intervention while utilizing class time and encouraging class participation.
- SO2. Develop consistency in instruction, resources, and discipline procedures.
- SO3. Allow time for teachers to collaborate and plan for more rigorous instruction as well as departmental team meetings for vertical alignment.
- SO4. Emphasize staff accountability through supervision and evaluation.

#### **Technology**

- T1. Provide campus standardization of intervention software and programs. Remove and replace less effective versions with software equipped to address current testing standards.
- T2. Teacher training for the utilization of technological resources.
